FOR IMMEDIATE RELEASE

### **WARNING** to ALL VOTERS

F. Ann Rodriguez, the Pima County Recorder, is issuing an advisory to all voters in Pima County **NOT** to give their voted ballots to a stranger. We have had numerous calls from concerned voters that they are being contacted by phone by individuals asking them if they can pick up their voted ballots and take them to the Post Office or the Recorder's Office. We have even had voters state that people are knocking on their front doors asking for their voted ballots and telling them they'll take it to the Post Office or Recorder's Office.

The Pima County Recorder's Office does not approve of this action as there is no guarantee that these individuals are actually taking them to the Post Office or turning them into our office. Ms. Rodriguez states that you still have plenty of time to mail your voted ballots so that we receive them in our office in time. The only people you should trust with your voted ballot to deliver them to our office are a family member, a trusted co-worker, a friend, or the US Postal Service.

If a voter wants to hand deliver their voted ballot, they should take it to any of the Recorder's Office locations Monday through Friday 8:00 a.m. to 5:00 p.m.:

Eastside	6920 E Broadway, Suite D
